

portablespace

cabin & container hire • sales • transport

Portable Space – well ahead for the run up to 2012

Already operating within East Anglia and East London, Portable Space are ideally positioned to operate in Stratford and the surrounding area. With this in mind we have recently passed ISO 9001:2000 for the hire, sale, design, transport & maintenance of cabins & containers. We have also been inspected as compliant for the Contractors Health & Safety Scheme (CHAS) making it even easier to deal with Portable Space Ltd.

Steel Cabin Range

- A complete range of stackable anti-vandal units including offices, canteens, toilets, drying rooms, self contained units, security stores and combinations of these
- Standard sizes to meet the needs of all sites including 12ft x 8ft, 20ft x 8ft, 24ft x 9ft, 32ft x 10ft we also supply towable units and collapsible units where access is a problem
- All designed to help site managers meet requirements for temporary accommodation and above all to meet the welfare needs of your people.

Storage container Range

- Steel storage and shipping containers 10ft, 20ft, 24ft, 40ft
- Ideal for storage of goods and materials
- ISO compatible shipping containers also available
- These will be used for temporary storage in the run up to and during the games itself

Self Loading Transport

- We specialise in moving portable buildings, plant and machinery
- Trained drivers safely lift up to 6 tonnes or 1.8 tonnes at over 14 metres
- Cabins up to 48ft in length can be loaded and moved using our vehicles
- For very heavy loads over 5 tonnes we can arrange loading using a mobile crane

About Portable Space Limited

We are determined to offer secure affordable and reliable portable accommodation, storage and transport solutions to help our customers grow and build their businesses. Portable Space was created in Autumn 2002 and we have grown significantly year on year since then. We are a subsidiary of a much larger organisation David Black & Son Limited; this relationship provides stability and enables us to access valuable resources to provide customers with value prices and excellent service.

We are a Limited company registered in England and Wales. Company Registration Number: 4447666. VAT registered (VAT registration number 102 1696 09).

Safe and Secure

Portable Space operate from a safe and secure site close to the A14 in Suffolk. We have excellent access to the A12 for deliveries to East London and the Olympic venues. All our staff have passed the Construction Skills operatives Health and Safety test and are certified to a level relevant to their work.

If you would like further safety information including full risk assessments and method statements relating to our products, please contact us or refer to our website www.portablespace.co.uk/safety where you can also download relevant PDFs.

Product Development

We are continually investing in new equipment and developing new products that will further enhance on-site safety for both our customers and our staff.

Welfare

All our products are designed to help you as a site manager meet your responsibilities under the Construction Health, Safety and Welfare regulations (1996) to provide minimum welfare facilities for site workers, including:

- Adequate toilet and washing facilities
- Adequate rest areas (well heated, lit and ventilated)
- Place to warm food, boil water for hot drinks
- Place to store and dry clothing

Equalities and inclusion

We are committed to creating a safe working environment for all our employees and our customers, to complying with local regulations and to empowering everyone in our organisation to achieve the highest level of safety. Portable Space fully supports the principal of equal opportunities and are committed to satisfying those principles in actions, statements and all material published or produced. Recruitment of staff is fair and rigorous, irrespective of the gender, age, race, religion, sexual orientation or disability.

Environment

We operate our own crane equipped vehicles for deliveries and our fleet meets the latest requirements for vehicle emissions to Euro IV standard. We have a dedicated in house maintenance team who maintain our equipment in good working order and ensuring that it remains in perfect condition for a long life.

Quality and Function

Portable Space are Investors In People and have well trained and motivated staff. Through our membership of the Modular Prefabricated Building Association (MPBA), we are well-informed about current accommodation design, technical progress and health and safety issues.

Contact us

For specific enquiries relating to the delivery of goods and services for the Olympics please contact Mark Black, Managing Director. For more general enquiries or to place an order please contact our office and speak to Kathy Faint or Mike Harris.
