Mission

To save customers time and money by being the most reliable portable accommodation and storage supplier.

To develop long lasting relationships with our clients and to deliver exceptional products and services time and time again.

To focus on customer satisfaction, offer a choice of products with large and easy to view stocks (at our own depots) and use in-house delivery vehicles.

Vision

To grow turnover whilst maintaining current margins through continued investment in the hirefleet financed by retained funds and the increased sales of all sold products.

Strategies

Short term

Medium Term

Long term

Short, medium and long term strategies are reviewed and implemented within the business on a regular basis by the management team inline with the company vision and mission taking account of our values.

Values

We are friendly, experienced and helpful. We aim for satisfied customers through problem-solving and innovative approach.

Values

We believe in working closely with suppliers and have a continual drive to grow personally and professionally together as a team.
