PRODUCT DETAILS

This 12ft mobile steel office is available for hire throughout England.

12FT MOBILE STEEL OFFICE FEATURES

A secure steel wheeled mobile office unit, ideal for the provision of easily movable office and meeting space- especially useful for project management on transient sites such as roads and pipeline related works, as well as sites with limited access for delivery of conventional cabins by lorry.

The 12ft office is mounted on a single axle and is the most compact and manoeuvrable towable unit available.

Steel shutter and doors ensure protection from would be thieves and vandals when not in use.

Select your requested hire start date and estimated duration, choose your options/accessories and enter your details to complete your hire enquiry. A member of our hire team will be in touch to complete your order processing.
