PRODUCT DETAILS

This 12ft mobile steel office is available for hire in London, Midlands, East Anglia and the South East of the UK.

12FT MOBILE STEEL OFFICE FEATURES

A secure steel wheeled mobile office unit, ideal for the provision of easily movable office and meeting space- especially useful for project management on transient sites such as roads and pipeline related works, as well as sites with limited access for delivery of conventional cabins by lorry.

The 12ft office is mounted on a single axle and is the most compact and manoeuvrable towable unit available.

Steel shutter and doors ensure protection from would be thieves and vandals when not in use.
