PRODUCT DETAILS

12ft steel store available for hire throughout England. These are ideal for smaller sites with restricted space. The unit can be stacked with a 12ft steel cabin (office, canteen or drying room) on top.

12FT STEEL STORE FOR HIRE FEATURES

- Steel Construction
- Suitable as the bottom unit for stacking with the [steel cabin range](#). Staircase available to hire as a product accessory. Stacking plates fitted to both units allow the top cabin to be securely bolted to the store.
- Steel wall panels match the cabin range for a professional and integrated look.
- Secure deadlock is fitted inside the double doors to provide added security protection (no padlock required)
- Easy open doors, unlike the shipping containers no vertical bars
- Steel locating pins in the door frame provide added security in the event the hinges are cut or damaged
- Painted in standard hire fleet blue (RAL5013)
- Can accommodate 3m lengths of materials

This unit will be levelled up by our drivers on-site. If the ground is sloping more than 200mm across the container length or width please let us know beforehand.
