£79.00 (exc. VAT) per week

£94.80 (inc. VAT) per week

PRODUCT DETAILS

This 16ft mobile steel office is available for hire throughout England.

16FT MOBILE STEEL OFFICE FEATURES

A secure steel wheeled mobile office unit, ideal for the provision of easily movable office and meeting space – especially useful for project management on transient sites such as roads and pipeline related works, as well as sites with limited access for delivery of conventional cabins by lorry.

The 16ft office is mounted on a single axle which maintains manoeuvrability and compared to the smaller [12ft mobile office unit](#) provides space for an additional person when used as an office or additional meeting space.

Steel shutters and door ensure protection from would be thieves and vandals when not in use.

Select your requested hire start date and estimated duration, choose your options/accessories and enter your details to complete your hire enquiry. A member of our hire team will be in touch to complete your order processing.
