PRODUCT DETAILS

USED EVERGREEN 20FT SHIPPING CONTAINER BENEFITS

- **HIGH-GRADE USED CONDITION:** Minor dents, surface rust, paint peeling, and other typical signs of wear and tear, but remains structurally sound and well-maintained for used containers.
- **CORTEN STEEL:** Constructed from heavy-duty, corrosion-resistant Cor-Ten steel, designed to withstand years of use.
- **WIND & WATERTIGHT:** Guaranteed structurally sound and fully wind and watertight, providing reliable protection for your contents.
- **SECURE STORAGE:** Used shipping containers are popular for a wide range of storage requirements and are often the cheapest way of buying temporary secure storage.
- **EX-SHIPPING LINE:** Previously part of Evergreen's fleet, these shipping containers are built to full ISO standards.

PRODUCT DESCRIPTION

High-grade Evergreen Used 20ft Shipping Containers, decommissioned from Evergreen's fleet and ready for self-storage uses.

These used standard 20x8 size Evergreen shipping containers are well-maintained, structurally sound and guaranteed wind and watertight. There will be signs of use such as minor dents, surface rust, and paint peeling from previous handling, but nothing that takes away from their durability or reliability.

Each container has:

- Exterior hinged double doors at one end
- 2 locking bars on each door for added security
- Forklift pockets on both sides
- 4 vents for airflow
- 28mm marine plywood floor on steel cross members (strong enough for storing heavier items like furniture or equipment)

They're a practical choice for a wide range of uses, whether you need storage space for household goods during a move or renovation, secure sports equipment storage for a club or school, or somewhere to keep tools, stock or machinery at your business premises.

The vast majority of our containers are used for UK based storage purposes, but if you plan to use your container for export, we offer CSC plate recertification on these used 20ft units. Simply select this option below to ensure the container is compliant for sea freight.

Available to buy online or contact our friendly container sales team who can help you find the right storage solution for your space.

Delivery available on all shipping containers to mainland UK locations with crane offloading.
