PRODUCT DETAILS

20ft shipping containers are ideal for the self storage industry. We are delighted to supply containers to many self storage companies in the UK.

We recommend this 20ft container for self storage use as it has a sealed bamboo floor allowing for easy wiping and cleaning of the floor between clients.

With a corten steel construction the container provides longevity and durability resulting in a cost effective unit for long-term secure storage.

This self storage container has made a single journey to the UK after its manufacture in China and has been built to exacting ISO container standards.
