

PRODUCT DETAILS

This high-spec ECOLink canteen cabin is available for hire in England.

Stackable and linkable side by side with other ECOLink canteens and **ECOLink kitchens** to create great project welfare and eating space. The canteen units can also be linked or stacked with **ECOLink offices** and **ECOLink meeting rooms** to create mixed-use accommodation blocks.

The ECOLink canteen is ideal for hiring on larger sites to quickly and easily create well connected project accommodation.

The ECOLink range is a premium product with energy saving features including PIR sensors for the lights, timers on heating systems, UPVC double glazed windows.

With a flat sided exterior finish the units create a professional look and feel which is especially popular on flagship sites where there is close integration with the general public such as house building, city centre and large infrastructure projects.

Please refer to the downloadable drawing for further details.
