PRODUCT DETAILS

Our large 32ft x 10ft combined canteen and 2+1 toilet steel cabin is usually available for sale and immediate delivery throughout the UK from stock held at our base in Suffolk.

This combined portable cabin, also called a Heart Unit, contains all the space you need on site to take a break and use the welfare facilities. It is the ideal solution for site management teams, as it ensures that everything necessary for comfort and convenience is provided within a single, portable structure.

The unit consists of a canteen on one side and a 2+1 toilet configuration on the other, separated by a central corridor for easy access and convenience.
