Quickfind Code: 262
Part Number: SALE 3M FLATPACK KIOSK RAL7015

£1,900.00 (exc. VAT)

£2,280.00 (inc. VAT)

PRODUCT DETAILS

Flat pack container with side opening hatch (hinged from the top) fitted to the 3m side. This hatch can be positioned on either of the long sides to meet your requirements.

Each part of the unit can be moved with 4 strong people. This saves on expensive specialist crane transport if you need to move the unit from time to time whether it's between events, or between seasons.

It's small enough to be loaded and moved on a small car trailer.

The unit is ideal for use as a serving unit at events, festivals or any business for short-term needs. It's also well suited for longer-term uses, where either or both the interior and exterior can be fitted out and clad for use.

Shelving options are available at additional cost.

3M XL FLAT PACK KIOSK BENEFITS

- Fully galvanised body
- Person-portable unit
- Easily demounted and moved
- Ideal for use in areas restricted by low or weak bridges
- Ideal for use with poor ground conditions, e.g. mud (as at many festivals)

This kiosk is available for sale and delivery throughout the UK.

A larger 4m kiosk is also available.

This flat pack kiosk is also available in Green RAL6005
