PRODUCT DETAILS

NEW 40FT HIGH CUBE SHIPPING CONTAINER BENEFITS

- **HIGH CUBE:** Standing at 9ft 6in, these 40fts offer an extra foot of height compared to standard containers, ideal for storing mini diggers and other tall machinery.
- **CORTEN STEEL:** Constructed from heavy-duty, corrosion-resistant Cor-Ten steel, designed to withstand years of use.
- **(NEW) ONE TRIP:** Built to exacting ISO standards in China and used only once to bring cargo into the UK.
- **LOCKBOX:** Factory fitted lockbox protects your padlock from bolt cutters and tampering, providing enhanced security.
- **FLEXIBLE SETUP:** Easily upgrade your container with add-on features and accessories, including personnel doors, resprays, racking solutions and more!

PRODUCT DESCRIPTION

40ft x 8ft One Trip High Cube Shipping Container in dark green (RAL6007 – Bottle Green) for sale, built in China to exacting ISO standards and used once for shipping cargo into the UK.

40ft high cube containers provide an extra foot of height compared to standard size containers, creating an overall storage space of 2,698 cubic feet. These containers are often used by the construction, agriculture and industrial sectors as they are ideal for mini diggers, tall or bulky machinery and palletised stock where a taller doors allow for easy forklift access.

These containers are also a popular choice for container conversions allowing more headroom when used as offices, cafes and other bespoke projects.

Each container has:
