

SIDE BY SIDE LINKING KIT FOR FLAT PACK OFFICE (6.5M)

Quickfind Code: 603

Part Number: SALE LINKING KIT - 6M SIDE

£440.00 (exc. VAT)

£528.00 (inc. VAT)

PRODUCT DETAILS

Powder coated in Grey white RAL9002 this linking kit is used for linking two **6.5m flat pack cabins** side by side. The linking kit allows a larger and wider accommodation space to be created. In addition to the linking kit please do not forget to add a second cabin to your online order.

FLATPACK OFFICE LINKING KIT BENEFITS

- Galvanised and Powder coated for long service
- Create larger spaces and maximise use on space on-site
- No need for expensive cranes, essential if you have restricted overhead access
- Quick and easy installation
