PRODUCT DETAILS

New 8ft Storage Container for sale in Cobalt Blue (RAL 5013).

Built from welded steel, it's fully wind and watertight, making it ideal for a wide range of uses, from paperwork archiving to storing tools and equipment, keeping them secure and protected from theft and weather. Its small, space-saving design makes it easy to position where space is limited, without compromising on strength or security.

The container comes with cargo-style double doors, multiple vents for airflow, and a lock box fitted as standard. It also includes forklift pockets for easy handling. These 8ft containers can be stacked a maximum of three high.

This storage container is manufactured in Europe and is not designed for shipping purposes.

NEW 8FT STORAGE CONTAINER (BLUE RAL 5013)

- Welded steel frame construction
- 4 vents around the roof frame
- Double doors with galvanised locking bars
- Forklift pockets
- Lock box as standard

This container is available to buy online and can be delivered to locations throughout the UK. Contact our friendly container sales team for further information.

This 8ft container is also available in green (RAL 6007).
