PRODUCT DETAILS

Our new 8ft shipping containers (blue) are a perfect secure storage solution when space is limited or restricted.

These 8ft containers are purchased for use in both residential and commercial environments.

One trip containers are manufactured in China and have carried cargo from China to UK on a single trip. One trip containers are the most common type of "new" shipping containers in the UK and are much cheaper than new shipping containers built in the UK or Europe.

Note: This 8ft container is also available to buy in green (RAL 6007)
