

ANTI-VANDAL MODULAR BUILDING (3 BAY)

Quickfind Code: 1021

Part Number: SALE STEEL MODULAR BUILDING

£62,000.00 (exc. VAT)

£74,400.00 (inc. VAT)

PRODUCT DETAILS

A strong flexible modular system available in up to 3 storeys, with module lengths of 24ft, 32ft and 40ft in a standard width of 10ft wide. Units can be stacked end on end and side by side to create clear open plan areas*.

The clean lined flat sided exterior finish can be painted in any colour of your choice. In addition steel units from the standard steel cabin range can also be connected to the building using the close coupled linking system.

Please contact our specialist modular buildings team with your specific requirements.

* 40ft modules include internal columns.
