

COMO 4 BASE BUILD SERVICE

Part Number: SALE COMO 4 BASE BUILD SERVICE

£1,710.00 (exc. VAT)

£2,052.00 (inc. VAT)

PRODUCT DETAILS

Our install team will build a timber frame base for your Como 4 office to sit on.

The base will consist of a pressure treated, bolted together, timber frame, 9 adjustable heavy duty galvanised steel pads, and a weed suppressant fabric on the underside.

BENEFITS OF COMO BASE BUILD SERVICE

- Due to the adjustable feet, the base can be placed directly on your current ground, be it lawn, uneven patio or gravel
- No skips or excavation work is required
- The base will typically take no more than a day to construct. No curing time is required as per concrete bases
- Cost effective level base solution
- Environmentally friendly
