

TWIST LOCKS (SET OF 4)

Quickfind Code: 1030

Part Number: SALE TWIST LOCK

£110.00 (exc. VAT)

£132.00 (inc. VAT)

PRODUCT DETAILS

The set of 4 double ended twist locks are used when stacking containers to lock the top and bottom stack together. Built from high quality cast steel and galvanised to prevent rust they are operated manually using a lever.
