Quickfind Code: 511

Part Number: SALE FLATPACK INCLINED SHELVING BRACKETS

£85.00 (exc. VAT)

£102.00 (inc. VAT)

PRODUCT DETAILS

4-tier shelving brackets that hook onto the outside of flat pack stores and kiosks

60° angle incline, useful for storing long material such as steel and pipe or by sports clubs with goal posts or other difficult to store equipment.

Set of two. Adjust the width between each bracket depending on what you are storing.

Suitable for both flat pack stores and kiosks.
