

CONTAINER SHELVING (FASTFIT BRACKETS) 40FT CONTAINER SINGLE SIDE

Quickfind Code: 1046

Part Number: SALE OF FASTFIT 3 TIER RACKING 40FT

£542.00 (exc. VAT)

£650.40 (inc. VAT)

PRODUCT DETAILS

The fast-fit racking is designed as a quick and easy to assemble container shelving solution, designed to hook on to the internal D rings found on the ceiling of the container.

This shelving bracket kit contains 10 Fastfit brackets of 3 tiers to fit along one full side of a 40ft container. Order 2 kits to fit both sides.

The racking gives great use of space and the unique design allows the floor area to be completely free and uncluttered – especially useful if you also have long or wheeled items to store. All metalwork is powder coated for long life.

Please note that due to the bulky nature of the wood to keep the delivery price down the wood shelving is not included. If you do not have access to equipment to prepare the wood please look at the [heavy duty racking](#).

BENEFITS

- Quick and easy to fit
- Clear space below the bottom shelf
- Powder coated finish

SPECIFICATION

- 458mm deep shelf
- Rated for 250kg per bracket arm for each shelf
- Rated for 500kg per bracket, the total of all three shelves
