Part Number: SALE 2M FLATPACK METAL GARDEN STORE GREEN

£1,445.00 (exc. VAT)

£1,734.00 (inc. VAT)

PRODUCT DETAILS

Our flat pack garden store (2.28m x 1.55m x 2.09m) is a fully galvanised steel store now available in a Moss Green (RAL6005) powder-coat finish. This secure, portable garden store is a stunning robust and durable alternative to the mundane wooden or plastic garden shed.

Its innovative upright design makes it perfect for storage of longer or taller items. Perfect for a keen hobbyist, for safety of equipment at the allotment or to remove clutter from your garden.

Included as standard is a retractable ramp for ease of use whilst storing bulky items, two-tier shelving (rear and side) for efficient use of storage space, and a double locking system for additional security.

The store is delivered flat-packed with all fixings required for assembly. It is light enough to be man handled and the components are small enough to fit through small passageways. We recommend at least 2 people are available to assemble the store.

The store can be placed on any level and firm ground in the garden. If any levelling is needed, then consider purchasing our optional [eco foundation pads](#).

NEW FLAT PACK METAL GARDEN STORE

Ideal uses for the metal garden store include:

- Motorbike
- Mountain bikes
- Scooters
