

PRODUCT DETAILS

This Single IBC Flat Pack Store safely holds one IBC container, whilst complying with site chemical safety storage regulations. Featuring no upstand lip and a fully opening door to allow for easy forklifting of IBC's in and out, a sumped base for contained spillage and a suspended grated floor.

The T-lock door handle can be used with a combination padlock, enabling multiple users to access the unit without keys.

The Single IBC Flat Pack Store and [Double IBC Flat Pack Store](#) allow flexibility to have as many units as needed without consuming a lot of space, scaling alongside farm or site size.

FLAT PACK SINGLE IBC FEATURES:

- Galvanised steel grated floor above the sump
- No upstand lip at the front bottom of the door where your forklift could potentially damage during loading or unloading of the IBC container
- Ventilation for storage of chemicals
- Forklift pockets
- 1670 litre sump capacity
- RAL 1028, Melon Yellow
- 1 x IBC or 4 drums

TYPICAL USES:

- Industrial
- Agricultural use

Important Information: This flat packed IBC store is non-certified.

This flat pack single IBC is available for sale and delivery throughout the UK.
