

PRODUCT DETAILS

Our 3m Flat Pack Vaping Shelter provides vapers with a designated area to vape whilst sheltering from the elements, such as rain and wind.

Constructed with black powder coated galvanised steel panels, this shelter combines durability with a sleek, professional look. The flat pack design allows for easy relocation as needed, offering flexibility for changing requirements or locations.

FLAT PACK VAPING SHELTER FEATURES & BENEFITS

- Black powder coated galvanised steel panels
- Person-portable unit
- Non slip floor plate
- 360 degrees ventilation
- Can be disassembled and relocated as needed, providing flexibility for changing requirements or locations
- Ideal for use with poor ground conditions, e.g. mud (as at many festivals)

TYPICAL USES:

- Workplaces
- Retail Sites
- Construction sites
- Events

This vaping shelter is available for sale and delivery throughout the UK.
