

HIRE STARLINK SATELLITE INTERNET KIT

Quickfind Code: 1026

Part Number: HIRE STARLINK KIT

£60.00 (exc. VAT) per week

£72.00 (inc. VAT) per week

PRODUCT DETAILS

Hire of Starlink Standard Satellite Broadband Connection Kit with 40GB Data Plan

The Starlink is mounted on top of the cabin to ensure optimal satellite signal reception. It provides a reliable, low-latency broadband connection by communicating directly with SpaceX's satellite network.

Ideal for construction sites and cabins in rural areas where fast, stable internet is essential for working.

Comes everything they need to get online including:

- Starlink
- Mount
- WiFi router
- 15m Starlink Cable
- 1.5m AC Power Cable
- Power Supply Unit

40GB data is included as standard – for a higher data plan please enquire with a member of our [hire team](#).
