

INSULATED 3M XL FLAT PACK STORE (RAL6005) – GREEN

Quickfind Code: 485

Part Number: SALE 3M XL INSULATED FLATPACK STORE (RAL6005)

£2,295.00 (exc. VAT)

£2,754.00 (inc. VAT)

PRODUCT DETAILS

Our popular flat pack containers are now available in an insulated version! Insulated sandwich panels cover the internal walls and roof of the store to protect against a build up of condensation.

Ideal for use at home, work, school or construction, to protect tools, materials, sports equipment, garden equipment, outdoor furniture and personal belongings from theft and the weather.

Our XL insulated stores are wider and taller than our standard stores. Please also note insulated stores cannot be linked together like our standard range.

Each part of the unit can be moved with 4 strong people. This saves on expensive specialist crane transport if you need to move the unit from time to time whether it's between events, or between seasons.

The insulation makes the store ideal for year-round use even in low temperatures. Insulation density: PUR 40 (±2) kg/m³

Note: Insulation comes in kit form, and needs to be added to the XL store once built.

3M XL FLAT PACK STORE BENEFITS

- Retains heat and minimises condensation
- Fully galvanised body with sandwich panel insulation
- Person-portable unit
- Easily demounted and moved
- Ideal for use in areas where a delivery vehicle cannot reach

This flat pack store is available for sale and delivery throughout the UK.

A larger [4m insulated store](#) is also available.

This flatpack store is also available from stock in [Grey RAL7015](#) or made-to-order in [Blue RAL5013](#)
