### PRODUCT DETAILS

This 3m cabin linking kit is used for linking any of our 3m flat pack cabins – **office**, **canteen** or **drying room**.

Using these linking kits allows a larger and wider accommodation space to be created.

Alternatively, our **2.3m linking kit** can be used to link flatpack cabins end-on-end.

Please note that Flat Pack Cabins can only be linked in one direction at a time (side-by-side or end-on-end)
