

MAGNETIC LIGHT WITH PIR SENSOR

Quickfind Code: 1034

Part Number: SALE OF MAGNETIC LIGHT

£19.00 (exc. VAT)

£22.80 (inc. VAT)

PRODUCT DETAILS

The magnet inspection light emits light from 72 LED lights. The wireless design and long battery life make it an excellent and cost-effective method to light up your container.

The magnet can attach itself to the walls or ceiling of the container or also includes a swivel hook for hanging.

Requires 4 x 'AA' batteries. These are supplied with the unit.

We recommend one light per 10ft in a container.
