

SIDE LINKING KIT FOR 3M FLAT PACK STORE – GALVALUME

Quickfind Code: 466

Part Number: S-LK-SL-FPS-3M-GALVLM

£100.00 (exc. VAT)

£120.00 (inc. VAT)

PRODUCT DETAILS

A 3m side linking kit in galvalume used for joining two **3m galvalume flatpack containers** side-by-side. This creates a larger and wider space for all your storage needs.

You can connect units of the same size endlessly in one direction using multiple linking kits.

Please note you cannot link both side-by-side and end-on-end at the same time.
