

## SITE TOWABLE WATER BOWSER

Quickfind Code: 15  
Part Number: HIRE BOWSER

**£24.00** (exc. VAT) per week

**£28.80** (inc. VAT) per week

### PRODUCT DETAILS

The refillable site towable water bowser is used on sites which need to supply water to canteens, toilets and shower blocks.

It is used in conjunction with a booster pump. For toilet blocks we recommend [this booster pump](#) fitted inside the ladies toilet. For canteen and showers we normally recommend using [the standalone pump cabinet](#).

Please note that water from the bowser is not for drinking. Please contact us for water refills.

### SITE TOWABLE WATER BOWSER INFORMATION

- Standard Size 250gal (110gal & 440gal also available)
- Site Towable (road towable versions also available)
