PRODUCT DETAILS

The three dispenser DEB Stoko board is a lightweight and compact 3-step skin protection centre.

The eye-catching colours and clear instructions encourage correct use and compliance. The board includes dispensers for the pre-work Protective cream (**DEB PROTECT 1000**), a medium duty hand cleaner (**DEB CLEANSE HEAVY 4000**) and a hand restorer (**DEB RESTORE 1000**).

The board provides start to finish hand care on a compact 305mm wide x 260mm high board makes it ideal for use where wall space is limited.

Supplied in white the dispenser system is easy to clean and low maintenance.

Note: This dispenser is not supplied with creams and soaps.
