

PRODUCT DETAILS

This 6ft x 8ft (1.83m x 2.44m) corrugated steel guard hut is a robust and compact workspace for one person.

It is fitted with a steel door on the 6ft end and double glazed sliding windows on the other three sides enables the unit to be used in a central reservation area or between access roads for site entry / exits.

The unit has both high-level and low-level double sockets, a 2kw convection type heater and is prewired with a high-level fused spur to simply connect an exterior security light (not included) if needed.

The cabin needs to be positioned on the 4 corners. Jacklegs cannot be fitted to this unit.
