

STEEL SINGLE DISABLED TOILET FOR SALE

Quickfind Code: 928

Part Number: SALE 8X9FT DISABLED TOILET

£7,983.00 (exc. VAT)

£9,579.60 (inc. VAT)

PRODUCT DETAILS

The steel single disabled toilet unit is designed to match up with all the standard units in our steel cabin range. For use in any situation where you have the need to provide disabled access toilet facilities.

Spacious and EA compliant (previously DDA) with all necessary handles and equipment. This disabled toilet unit includes extraction ventilation.

Please note that this unit does not include ramps up to the entrance door. We can assist with these but due to differences on site you will need to discuss these with our sales team.

Single phase 32 amp connection required.

BENEFITS

- Portable EA compliant space
- Compact footprint
- Matches steel cabin range
- Easy connections to water, waste and electricity

INTERNAL

- Aluminium checker plate
- Wipe clean wall boards
- Insulated walls & ceiling
- 1 x WC, 1 x basin
- Lighting
- Extractor fan
- Convector Heater
- Water Heater

This disabled toilet is available for sale and delivery throughout the UK.
